## Product Change Notification

Dear Marvell customer,

This is an information-only announcement of a change to a device that is currently offered by Marvell Semiconductor, Inc.

The changes discussed within this PCN are for your information only. Please see the attachment details for the planned implementation date. This notification period is per Marvell standard process. Any negotiated alternative change requirements will be provided via the customer's defined process.

If you required notification of the change, please use the acknowledgement on the attached PCN or e-mail to grant approval or request for more information. If Marvell does not receive acknowledgement within 90 days it will assume this change is acceptable.

Marvell reserve the right to ship either version manufactured after the process change effective date until the inventory on the earlier version has been depleted.

Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

For questions regarding this notice, contact your local Field Sales Representative

Sincerely,

A handwritten signature in black ink, appearing to read 'Pramod Patel', is written over a horizontal line.

**Pramod Patel**

Director of Customer Quality

Disclaimer:

No part of this document may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopying and recording, for any purpose, without the express written permission of Marvell. Marvell retains the right to make changes to this document at any time, without notice. Marvell makes no warranty of any kind, expressed or implied, with regard to any information contained in this document, including, but not limited to, the implied warranties of merchantability or fitness for any particular purpose.

Further, Marvell does not warrant the accuracy or completeness of the information, text, graphics, or other items contained within this document.

Marvell products are not designed for use in life-support equipment or applications that would cause a life-threatening situation if any such products failed. Do not use Marvell products in these types of equipment or applications.

With respect to the products described herein, the user or recipient, in the absence of appropriate U.S. government authorization, agrees:

- 1) Not to re-export or release any such information consisting of technology, software or source code controlled for national security reasons by the U.S. Export Control Regulations ("EAR"), to a national of EAR Country Groups D:1 or E:2;
- 2) Not to export the direct product of such technology or such software, to EAR Country Groups D:1 or E:2, if such technology or software and direct products thereof are controlled for national security reasons by the EAR; and,
- 3) In the case of technology controlled for national security reasons under the EAR where the direct product of the technology is a complete plant or component of a plant, not to export to EAR Country Groups D:1 or E:2 the direct product of the plant or major component thereof, if such direct product is controlled for national security reasons by the EAR, or is subject to controls under the U.S. Munitions List ("USML").

At all times hereunder, the recipient of any such information agrees that they shall be deemed to have manually signed this document in connection with their receipt of any such information.
