

Declaration of Conformity REACH / SVHC / Hazardous Substances

Trenčín, March 31, 2017

VOIPAC TECHNOLOGIES s.r.o. (Voipac) hereby declares that all Voipac electronic hardware does not contain Substances of Very High Concern (SVHC) in concentrations greater than 0.1% by weight per article in view of the EU Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Similarly, Voipac's shipment packaging, also considered "article" under REACH, does not contain SVHCs based upon the declarations we obtain from our suppliers.

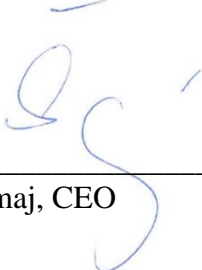

Under the terms of the EU Regulation No. 1907/2006 concerning REACH, Voipac is classified as a "Producer/Importer/Supplier of articles" because it manufactures or has manufactured electronic modules and baseboards which are non-chemical products.

Voipac's products are considered "articles" as defined in REACH Article 3 (3). These products/articles under normal and reasonable foreseeable conditions of use do not have intended release of harmful SHVC. Therefore, the requirement in REACH Article 7 (1) (b) for registration of substances contained in these products/articles does not apply. Furthermore, Voipac is not required to produce Material Safety Data Sheets (MSDS). We do not use chemicals in our processes and our products do not contain SVHC exceeding the regulatory threshold of 0.1%. This is with respect to the candidate list of 173 substances, last updated on January 12, 2017 by the European Agency for Chemicals (ECHA). For the full list published in accordance with Article 59 (10) of the REACH Regulation, please go to the following web page:

This statement is based on written information given by Voipac's suppliers, component manufacturers' own certification and is accurate to the best of our knowledge. In our own interest and to guarantee the best safety to our customers, we are intensely monitoring and also encouraging the implementation of REACH on the side of our suppliers. We will immediately inform you in correspondence to REACH – Article 33 if any substance of content (as from a content of > 0.1%) in our goods will be classified by the ECHA.
